A big thank you to all who helped with the Spaghetti Lunch provided by the youth going to Camp Horizon during Spring Break! Thank you to all who attended and supported our youth! We had a great turn out!

Youth Sunday was the last Sunday of January. There were 11 youth that participated in the worship service. The service message was Eye of the Storm, which is a song written by Ryan Stevenson. Parker and Elly both described what the song meant to them and read scripture that the song referenced. The Children's Message was on Noah's Ark. The youth did every part of the service. They all did a wonderful job!

Our youth leader if Virginia Anderson, thank you to her and the kids for a job well done.

Dear brothers and sisters in faith,

We already spent the first month of 2022. How was your first month in 2022? Please remember we are not late to begin this year for our vision and hope.

There are infinite possibilities to everyone in 2022, and conditions for new opportunities will be given to all of us in this year. Therefore, it will be dependent upon each person to decide whether this year will be filled with joy, victory, and hope or with sorrow, defeat, and hate. I hope you all have the greatest year based on your right decisions and choices.

How can we make good decisions and choices in this year?

There are many people in the Bible who can serve as good examples of our faith lives. Today, I want to share with you the story of Joseph as such an example.

Our almighty God gives all of us a vision that He wants to achieve when we are born. However, God gives us a dream first before giving us a vision.

Genesis chapter 37 tells the story of Joseph's dreams. Joseph dreamed about binding sheaves in the field. He told his brothers about this dream. He said that other bound sheaves bowed to his sheaf. So, his brothers said to him "Are you indeed to reign over us? Are you indeed to have dominion over us?"

Then, Joseph dreamed a second dream about the sun, the moon, and eleven stars. He told it to his brothers again. They became upset about his potential power over them, and so they sold him as a slave in Egypt.

However, Joseph knew that God was with him all the time, so he kept his faith in any situation. He overcame all difficulties in faith, and he worked hard to manage his greed and passion.

Even though Joseph had difficulties because of his dreams and his brothers' reactions to him, he did not complain about anything or blame any others. Because of this, he became a person who influenced others to be blessed.

Like Joseph, God always wants to call all of us to be the origin of blessings.

God planted Belleville First United Methodist Church for His special purpose. God loves all of us in this church and blesses us to accomplish His plans for this church. God wants us to be the origin of blessings in Belleville, in Kansas and in this world.

I hope you dream the dreams God is giving you. I hope you see a vision from your dreams, and I hope you experience the achievement of your vision in 2022. May this year be the best blessed year to all of you.

May God bless you!
