

Mark 4:35-41 niv
Jesus Calms the Storm

³⁵ That day when evening came, he said to his disciples, “Let us go over to the other side.” ³⁶ Leaving the crowd behind, they took him along, just as he was, in the boat. There were also other boats with him. ³⁷ A furious squall came up, and the waves broke over the boat, so that it was nearly swamped. ³⁸ Jesus was in the stern, sleeping on a cushion. The disciples woke him and said to him, “Teacher, don’t you care if we drown?”

³⁹ He got up, rebuked the wind and said to the waves, “Quiet! Be still!” Then the wind died down and it was completely calm.

⁴⁰ He said to his disciples, “Why are you so afraid? Do you still have no faith?”

⁴¹ They were terrified and asked each other, “Who is this? Even the wind and the waves obey him!”

Sermon Series: Jesus On the Lake: Meeting Christ in Every Storm and Shore

This series traces Jesus' ministry because many of his most important teachings and miracles occurred around the Sea of Galilee. The lake becomes a place of calling, teaching, testing, provision, and restoration.

Week 1 (July 12): "Called from the Shore"

Text: Luke 5:1–11

Theme: Jesus calls ordinary people to extraordinary discipleship. Jesus does not call the qualified; He qualifies those He calls. What nets must we leave behind to follow Christ?

Week 2 (19): "Faith in the Storm"

Text: Mark 4:35–41

Theme: Trusting Christ when life feels out of control. The presence of Jesus is greater than the power of the storm. What does your fear reveal about your faith?

Week 3 (July 26): "Walking Where Faith Begins"

Text: Matthew 14:22–33

Theme: Stepping out in faith. Faith grows when our eyes remain fixed on Jesus rather than the waves. What "boat" is God asking you to step out of?

Did you know... In October of 2006 the construction began on the elevator located in the north-west wall of the foyer. This was a major project and required reconstruction to get to the fellowship hall. The project was completed by November 14th, 2006. It was financed through a loan and pledges. The elevator was installed to make the Fellowship Hall more accessible to people for events. It also made it more useful for group meetings inside and outside of the church community.
